Which office evaluates and posts transfer credit at your college?

Admissions

Registrar

Advisement

Individual academic
departments

A combination of above

Other

How do you CURRENTLY post transfer credits to a student's record?

In bulk to their first semester
of attendance

By the term in which the
student completed the course

A combination of bulk posting
and by individual term

Other

Have you changed your transfer credit posting procedures due to the Excelsior Scholarship?

Yes

No

Do you post transfer credits earned while in high school differently than credits earned after high school graduation?

Yes

No

Do you post credit to a student's record that is still in-progress at the other college?

Yes

No

Type a word about how you feel about transfer credit evaluation processes on your campus!

How do you keep up with curriculum changes at OTHER CAMPUSES - and the impact on transfer equivalencies?

How do you keep up with curriculum changes on YOUR OWN CAMPUS - and the impact on transfer equivalencies?

What are your best practices for communication among all the credit stakeholders - admissions, advisement, Registrar, financial aid, IT support, academic departments?

What do YOU want to discuss about transfer credit evaluation?

Thanks for being part of the discussion!
