2021-2022 Joan Austin Distinguished Service Award - Nomination Form

(for members with more than three years of NYSTAA involvement)

The Distinguished Service Award was established to recognize individuals who have made long-term commitments of time and energy to NYSTAA. It recognizes significant and lasting contributions to the organization and advocacy for transfer issues. Recipients may have served the organization as board members, officers, active committee members, NYSTAA/transfer issue advocates across the State, conference presenters, professional leadership, role models for new transfer professionals, or served in many other capacities deemed significant to the mission of NYSTAA.

In May 2012, the Distinguished Service Award was renamed in honor of Joan Austin, who passed away on December 2, 2011. Joan touched the lives of many both professionally and personally. Her commitment and dedication to NYSTAA and the field of transfer will not be forgotten.
